

HARINI G

PYTHON DEVELOPER

9585028361 | harinig2712@gmail.com | Perambalur |

PROFESSIONAL SUMMARY

MCA graduate with a strong foundation in Python and MySQL, with knowledge of OOPS and data handling using Pandas and NumPy. Possess a basic understanding of web technologies including HTML, CSS, and JavaScript. Seeking an entry-level Python Developer role to apply problem-solving skills and build efficient applications.

EDUCATION

MCA - Srinivasan College of Arts and Science Bharathidasan University	[CGPA-8.1] [2026]
BCA - Dhanalakshmi Srinivasan College of Arts and Science (Autonomous)	[CGPA-8.0] [2024]
HSC - Bharathi Vidhya Mandir Matric Higher Secondary School	[CGPA-7.9] [2021]
SSLC - Bharathi Vidhya Mandir Matriculation School	[CGPA-7.9] [2019]

TECHNICAL SKILLS

- Programming: Python (Basics, OOPS Concept)
- Libraries: NumPy, Pandas (Basic Data Handling)
- Web Technologies: HTML, CSS , JavaScript (Basics)
- Tools: VS Code, PyCharm

PROJECT

AI-BASED SMART ERROR ROOT CAUSE IDENTIFIER

- Developed using Python to analyze application log data
- Used Pandas and NumPy for data preprocessing
- Implemented machine learning model to detect error patterns
- Improved debugging efficiency by identifying root causes automatically

CERTIFICATIONS

- Artificial Intelligence - Honeywell Program
- Cybersecurity - Palo Alto Networks
- Typewriting - Tamil and English (Lower Level)

LANGUAGES

- Tamil
- English
- Telugu (Only Speak)
